

Sunnysoft gained *Microsoft Gold Certified Partner* title

Microsoft Gold Certified Partner title is the guarantee for professional services of the highest quality, access to tools and support and corresponds to exceptional status of the company on the market.

Prague, 19th September 2006 – Sunnysoft, mobile solutions and Pocket PC specialist has after demanding testing period successfully gained title of Microsoft Gold Certified Partner, which Microsoft guarantees to only their first class partners for a period of a single year. Obtained award confirms high qualification in and professional handling of Microsoft technologies and is at the same time the highest award any Microsoft partner can get.

On this level Sunnysoft has possibility to create the most solid partnership with Microsoft by the medium of for example such activities as participating on partner development and marketing projects.

To get Microsoft Certified Partner title it is necessary fulfill several different criteria. Partner company must for example be employing certified Microsoft technologies professionals (Microsoft Certified Professional) and prove its proficiency before even entering the partner program.
